

STL-ODN

St. Louis Organization Development Network

Graduate Student Intern

Role Description

To date, our interns have worked on some key OD projects, such as mentoring program design and implementation, organization design, leadership continuity, and role clarification. They gain exposure to a broad range of practicing OD professionals and issues, and experience working in a virtual environment. They are invited to attend all Executive Team meetings, including strategy discussions.

As with all STL-ODN roles, this is not a paid position. However, we do provide an honorarium to help defray any costs to the student. In addition the student receives a complimentary one-year membership to the STL-ODN. More information will be provided shortly. In the meantime, interested students may submit their resume to stlouisodn@gmail.com (Subject: INTERNSHIP APPLICATION).
